

VAUDEVILLE STAR AT BAND CONCERT

An excellent program has been arranged for the concert by Elbel's band at the court house square for Saturday evening, including two soloists, an instrumental and vocal number, making two special features to be presented.

Jess W. Davis will play a baritone solo, "Fantasia Brillante", by Le Clair, which gives him an opportunity to display his splendid technique and execution. The baritone is one of the principal instruments in a band and Mr. Davis has acquitted himself creditably in all of his assignments but this will be his maiden effort as a soloist on this instrument.

The vocalist will be Billy Wilson, who will sing the latest song hit of the season, "When I Lost You". The management should be congratulated in obtaining him, as Mr. Wilson is a member of the Frisco Four, a quartet which has made a big hit in vaudeville during the past four years. He is visiting friends here for a few days, which made his engagement possible. The balance of the program will consist of the following:

March, "Coronation March". Le Thiere Overture, "William Tell". Rosini Waltz, "Moonlight on the Hudson".

Selection, "The Rose Maid". Hermann Granichstaedten Medley, "Son Hits of 1913".

Baritone solo, "Fantasia Brillante". Le Clair

Jess W. Davis, Amens Vocal solo, "When I Lost You".

Spanish Serenade, "Anita". Allen

Finale, "Harmony Rag". Nicholas Gus Elbel, Conductor.

MINISTER'S \$10 SALARY HELD UP

His offer to preach for either \$5 a week and board or for \$10 a week and pay his own board and laundry, both refused, Rev. G. W. Hanley, pastor of the A. M. E. Zion Church at Eddy and Company sts. is in a quandary.

He declares that he will continue to occupy his pulpit until the bishop and presiding elder takes action, but that work of completing the new church building will be held up.

Friends of the minister say that W. C. Franklin, one of the oldest members of the congregation and formerly a good friend of the minister is behind the present difficulty. Rev. Hanley, it is stated, is one of the best educated members of his race in South Bend and bears the good will of the white population in his neighborhood as well.

He came to South Bend in March, 1906, to find only four members of the church, a congregation, a debt of \$150 on a mortgage, a street assessment of \$33 due and the water rent overdue. These were all paid off, it is said, and the church flourished, growing to 33 members.

At the end of the year Mr. Hanley stated that he felt his mission was completed in South Bend and he wanted to be assigned elsewhere, but despite this he was returned and continued his work.

WELCOME FOR NEW MEMBERS

Three hundred people attended the reception given to the new members of Westminster Presbyterian church at the church parlors Thursday evening. The guests were greeted by Mr. and Mrs. E. E. Strayer and Mr. and Mrs. J. Bruce Gaill. Others in the receiving line were the pastor and elders of the church, with their wives. The affair was entirely informal. Cards with the name and address were pinned to each guest by the members of the Christian Endeavor society, a card of one color being used for the new members and of another color for the old.

In the basement parlors of the church the deacons and trustees with their wives assisted in entertaining the guests.

L. C. Whitcomb was in charge of the short program that was given during the evening. The pastor, Rev. H. B. Hostetter, made a short address of welcome and a response was given by A. E. Martin. Among the musical numbers were solos by James T. Cover, Leslie G. Whitcomb and Paul Anderson. Miss Edna Reed and Mrs. Cora Hunt gave piano numbers.

Following the program the new members formed a line and were welcomed in turn by all the old members. At the close refreshments were served.

SOUTH BEND MEN LOSE CITIZENSHIP

New Ruling Requires That All Aliens Who Haven't Completed Formalities Will Be Barred.

There are hundreds of foreign born residents of South Bend who have declared their intention to become citizens of the United States previous to 1906 who have never made application for their second papers according to County Clerk Christoph.

According to a ruling of Richard K. Campbell, commissioner of naturalization, those who fail to make application for their second papers before Sept. 27, 1913, will be barred from citizenship.

WASHINGTON, July 18.—Thousands of aliens who have declared their intention of becoming citizens of the U. S. may be debarred from realizing their hopes unless they file final applications for naturalization papers before Sept. 27 next. Richard K. Campbell, commissioner of naturalization, Thursday sent letters to all chief examiners throughout the country calling their attention to this situation.

Records show that there are 40,000 aliens who have declared their intention but have not filed final applications. A large percentage of these made their declarations before the enactment of the present naturalization law, Sept. 27, 1906, which requires that final applications be made not less than two nor more than seven years after the declaration of intention. Judge Jacob Trieber of the Arkansas federal court recently held that those who made declarations under the old law and failed to make final applications, within seven years after the passage of the new act, would be barred from citizenship forever.
